make a difference in
the life of a child

"The whole art of teaching is only the art of awakening the natural curiosity of young minds for the purpose of satisfying it afterwards."
— Anatole France

Are you ready to touch the future through a career in education?

By becoming a teacher or teacher's aide, you can make a difference in the life of a child. You can begin your pathway to teaching through programs and services coordinated by the Center for Teacher Education at J. Sargeant Reynolds Community College.

If you are ready to take the first steps to becoming a teacher, then one of our associate degree, certificate, or teacher licensure programs might meet your needs. We have a variety of programs, courses, and services available, whether you are planning to teach or currently teaching.

For information about programs and services coordinated through the Center for Teacher Education, or visit us online at www.Reynolds.edu/teachered.
