

J. Sargeant Reynolds  
Community College

**DENTAL LABORATORY TECHNOLOGY INSTRUCTOR**

**(PART-TIME)**

The College is seeking adjunct instructors to teach Dental Materials and Introduction to Complete Dentures in the A.A.S. degree program at the Downtown Campus for the Fall semester.

**QUALIFICATIONS  
REQUIRED:**

Associate's degree in Dental Lab Technology or equivalent; Two (2) years of current dental laboratory experience in removable prosthodontics. The selected candidate must be able to successfully pass the college's pre-employment security screening.

**QUALIFICATIONS  
PREFERRED:**

Bachelor's degree and Certification or D.D.S. in one of the five specialties is preferred. Knowledge of set-ups, contouring, processing, finishing and various types of occlusal schemes. Knowledge of dental materials and their application to the construction of various dental prostheses. Wide range of coursework and/or teaching experience throughout dental laboratory subject area. Demonstrated ability to effectively organize, prepare and teach course work in accordance with established and/or developed syllabi. Demonstrated ability to incorporate technology routinely into instructional and faculty responsibilities. Demonstrated ability to work with students from diverse backgrounds; and strong written and oral communication skills. If an A.A.S. degree holder, must be willing to work towards a Bachelor's degree to include education theory and practice. Must be willing to obtain Certification within three years of appointment to the program.

**Salary:**

Commensurate with the education and experience of the applicant.

For further information please contact Ernie Wolfe, C.D.T., in the Dental Laboratory Technology Program at (804) 523-5931 or [ewolfe@reynolds.edu](mailto:ewolfe@reynolds.edu) immediately.

Please send completed Commonwealth of Virginia employment application, resume, official academic transcripts, and three current letters of recommendation to:
