

PHYSICS INSTRUCTORS
(PART-TIME)

The College is seeking adjunct instructors to teach day and evening classes in Physics for the Fall semester.

QUALIFICATIONS REQUIRED: Masters degree in Physics; or Masters degree with 18 graduate semester hours in Physics. The selected candidate must be able to successfully pass the college's pre-employment security screening.

QUALIFICATIONS PREFERRED: Related occupational experience, or teaching experience in one or more college level courses including developmental, occupational-technical, and university-college transfer, or high school Physics teaching experience. Wide range of coursework and/or teaching experience throughout Physics subject area. Must have the ability to employ multiple teaching strategies to create student-centered classrooms. Demonstrated ability to incorporate technology routinely into instructional and faculty responsibilities. Demonstrated ability to work with students from diverse backgrounds; strong written and oral communication skills; and evidence of experience with student advising.

Salary commensurate with the education and experience of the applicant.

For further information please contact either Professor Ramzi Ockaili (rockaili@reynolds.edu) or Professor Janet Adams (jadams@reynolds.edu) from the School of Mathematics and Science at (804) 523-5742 and (804) 523-5255 respectively.

Please send completed Commonwealth of Virginia employment application, resume, official academic transcripts, and three current letters of recommendation to:

Raymond A. Burton
Dean of Mathematics & Science
J. Sargeant Reynolds Community College
P.O. Box 85622
Richmond, Virginia 23285-5622
